**Directions**
- From I-5, exit La Jolla Village Drive and go WEST.
- Turn right (north) at Villa La Jolla Drive. Go up the hill and past the VA Hospital on the right.
- Straight ahead is the Gilman Parking Structure.
- There will be a limited number of free spaces reserved in the Visitor Parking area for this event, on the lower level.
- Once these spaces are filled, visitors will need to find their own parking, at a paid Visitor space, or alternate lot. Early arrival and carpooling are encouraged, as parking could be a challenge.
- Exit the parking structure to the south (along Gilman Drive) and follow pedestrian signs to the Telemedicine Building.
- An alternate walking route is to cut through parking lot P602 and follow side walk next to Stein Clinical Research Bldg.
